Calanoa Lodge Amazon

Day 1 • Leticia Arrival • Calanoa Amazon Lodge (D)

Assistance, meet and greet at Leticia Airport (daily flights available from/to Bogota). We recommend taking the yellow fever vaccination two-weeks prior to arrival. Please bring your yellow fever certificate with you! Assistance, meet and greet by your English-speaking tour guide upon arrival in Leticia. Private transportation to the Leticia Amazon pier. Guided motorboat navigation to the Calanoa Amazon Lodge. Registration and welcome dinner. With just six gorgeously designed cabins, this tiny jungle lodge truly is a slice of paradise, and one of the few in the Amazon Basin that allow visitors to relax in style. Two activities per day are included, ranging from long jungle hikes to night walks, canoe trips and visits to nearby indigenous communities that the lodge supports.

After sunset, join your personal English-speaking tour guide on a jungle discovery tour through the forest. Bring a flashlight, hiking shoes and insect repellent! The Calanoa Natural Reserve is at the very heart of the Amazon forest. Its surroundings are an endless source of marvel. It is a low-impact, small-scale settlement. 3-Nights accommodation at The Calanoa Lodge (cabin).

Day 2 • Calanoa Amazon Program • Tikuna Village • Matamata Falls (B/L/D)

After breakfast, walk with your tour guide to the river-pier to board a motorized-canoe. Navigate through the Calanoa Natural Reserve. On-route look for the Victoria Amazonica, a species of flowering plant and the largest of all the water lilies. Observe the flora and fauna and learn about native culture. Bring your swimsuit, sun protection and insect repellent. We visit the Tikuna and indigenous village to learn about their way of life. After lunch, explore the Amazon rainforest and go hiking with your tour guide to the Matamata Falls. We return to the lodge on time for dinner.

Tikuna Natives

Day 3 • Calanoa Amazon Program • Pink Dolphins (B/L/D)

Seasons: The dry season goes from July to October. Low water levels in the Amazon mean excellent hiking and exposed white-sandy beaches. During wet season from November to June, the jungle trails submerge in water. We can explore the most remote areas of the Amazon by canoe. The Vegetation is abundant and the scenery breathtaking.

After breakfast, we visit the community of Mocagua. Watch traditional dances and listen to native songs. Navigate along the Loretoyacu River shore to the Tarapoto Lake. Look for gray and for mystical pink dolphins. Return to the lodge for dinner and overnight.

Day 4 • Calanoa Amazon • Leticia Departure (B)

After breakfast, group departure by motorboat SIC back to Leticia. Assistance, meet and greet by your personal driver upon arrival at the Leticia pier. Private transportation from the pier to the Leticia Airport (driver only). Drop off at the Leticia airport main entrance for departure.

Program can be customized. For further assistance or reservation, please contact your travel agent.
